

MEJADI' SPRAY – 75% alcohol
Hydroalcoholic solution

MEJADI' SPRAY

Spray particularly suitable against germs and bacteria thanks to its 75% alcohol content. The recognized properties of alcohol make this formulation suitable for sanitizing hands and face-protection equipment. Such sanitizing should be performed every 6 hours, as required by the Military Chemical Pharmaceutical Plant (SCFM) of Florence. Non-greasy.

USE

After spraying in the desired direction, let the alcohol evaporate for at least 15 min.

WARNINGS

Highly-flammable liquid. Keep away from heat, sparks and flames. Do not smoke. Keep out of reach of children. Avoid contact with eyes. In case of contact with eyes, rinse thoroughly with water and seek medical advice. Use only in accordance with instructions.

INGREDIENTS

Alcohol Denat., Aqua, Isopropyl Alcohol, Lactic Acid.

Chemical physical features of the product

Both raw materials of formulation and the product after production are underviewed to the quality checks.
